

ADELPHI: OR, THE BROTHERS TERENCE

"Micio and Demea are two brothers of dissimilar tempers. Demea is married, and lives a country life, while his brother remains single, and resides in Athens." Things quickly get a bit messy with hushed-up debauchery, kidnapping/elopement/theft of a slave, general carousing, and marriage nuptials - the usual for the day perhaps, except that: "The Play concludes with a serious warning from Demea, who advises his relatives not to squander their means in riotous living; but, on the contrary, to bear admonition and to submit to restraint in a spirit of moderation and thankfulness." - Summary by The Translator
